

# *The* FAIRWAYS

*of Mount Vernon, Ohio*

Please read these instructions and understand that the Roadway Maintenance Project will help maintain the Roadway and that cooperation by all Occupants will aid in the proper completion of this project. The Board of Directors understands that this project is an inconvenience, but it is the only way to ensure that the life of our Roadways is extended. If you can arrange your schedule to limit your need to use the roads over this 3 day period it will help the crews and help maintain the safety factor as much as possible.

We will have volunteers in place to help with traffic flow and ask that you be patient. Since Fairway DR from the entrance to Fairway CT will be one lane courtesy will be in order.

Lastly, understand that no parking on Fairway DR from the entrance to Fairway CT will be permitted during Thursday May 28th. There should not be a need to park anywhere on grass during the project.
